

JOB OPENING M/F/D

CAMO Engineer

Full Time

Bad Vöslau - LOAV

WAA Luftfahrt GmbH is a young company, yet a company with an exciting history. A team of enthusiasts who have set out to create new and modern opportunities in the field of general aviation.

WAA offers services with reliability at the highest level. We work for customers who will not accept less. We are professionals and we take pride in what we do.

If you are a specialist in the field of aviation and determined to provide sophisticated support and services to those who really need it, we would like to welcome you on board. We invite you to expand not only yourself, but also our capabilities as WAA for the benefit of our customers.

Together we are aviation.

Duties

- » planning and monitoring the maintenance action of clients aircraft
- » maintenance of technical documentation (L-Akt)
- » onsite support during aircraft maintenance
- » creation of maintenance programs for business jets
- » reconciliation and revision of the maintenance program in relation to the current manufacturer maintenance data
- » incorporation of legal requirements
- » support in the registration process of aircraft
- » support with the annual airworthiness review of aircraft
- » direct communication with subcontracted companies and manufacturers

Requirements

- » higher technical education (HTL or comparable), or at least 3 years of practical experience in a CAMO
- » experience in the field of aircraft technology is an advantage
- » high interest in aviation, technical affinity and flexibility are required
- » proficient in MS Office (especially Word & Excel)
- » very good written and spoken English
- » solution-oriented, efficient handling skills
- » good communication skills

We offer

- » concentrated knowledge in the field of aircraft technology that you will hardly experience anywhere else
- » a determined and cool team
- » the opportunity to further your education
- » the chance implement many more ideas and overcome challenges together.
- » several offices and maintenance stations in Austria waiting to be further developed

We are also prepared to offer an individual who is enthusiastic about aircraft technology the chance to gain a foothold in this field. Tell us about your background and how you could bring your previous experience to us. If you are ambitious, determined and innovative, you could be the right person for us. We look forward to receiving your application documents.

For this position we offer a gross monthly salary of at least **2,300** on a full-time basis. There is a clear willingness to overpay with appropriate experience.
